Annual General Meeting

2 February 2010

Inglewood Tavern, Perth

Meeting Opened: 7:50 pm

There was no real functioning committee for 2010, due to lack of sufficient members. Thus there are no position reports, minutes etc.

John Carney gave a brief overview of the current financial position of the club. He then outlined briefly the main tasks of the club – organising the year's events calendar, and trails advocacy. He highlighted "South Shore" – a new, approved trail network in Dwellingup (thanks to Jamie Campbell) as an example of what can be accomplished by an organised body liaising with land managers.
